## Data Protection Declaration

### Enrollment of new member

With the enrollment you are entering a membership contract with Kulturverein wegather. In order to fulfill our association's purpose according to our statutes we will be processing the following personal data:

- name
- address
- Email address

Your data will be stored for the length of your membership. In case of your leaving the association, we will keep your data for the length of the legal duty to preserve records (in most cases 7 years, in some cases due to the requirements of some public granting authorities 10 years).

In case of your participation at our association's events we will store the personal data, you provide when registering or if necessary, data that is needed for the participation at specific events.

We would also like to inform you that photos, sound- and video-recordings might be taken within our events.

These recordings can be used in various media (print, TV, online) and in our association's publications (print, online).
